

President's Report – AGM 2009

It has been a very busy season and one that has gone very fast!

Our membership has remained consistent with new families joining mainly at our junior level.

Unfortunately due to date changes from Swimming Victoria we had to postpone our Swimming Carnival until later this year (possibly November) which we count on for fundraising and of course competition.

We did however have a successful fundraising event at the Primary Schools Twilight Swimming Carnival. Thank you to our senior swimmers for time keeping, committee and partners in helping out with all the fundraising, cooking and selling.

We also had a fundraising sausage sizzle at Bunnings which was successful and fun!

Replacement of our old banner in the indoor pool - after many negotiations with the previous committee and the aquatic centre (as to where the new banner should be placed) a new banner was ordered and put up in the same spot! We also had a number of vinyl banners made up for the Club's tents.

I do have to say that as a new family to the club it certainly was a fantastic experience to be on the committee, a little nerve racking in the beginning, but nonetheless one which I enjoyed very much; discovering the world of swimming meets has certainly opened up my eyes with much appreciation of all the work that is put into organising these. I would like to thank the whole committee for your outstanding work and organisation with running the club in the 2008/2009 season. It definitely is a team effort and would not have worked otherwise, as we all have other commitments.

Thank you for having me as part of the committee, but I will not be standing next season due to other commitments. I am confident that the new committee will ensure the Club continues to prosper in the 2009/2010 season and into the future. We joined the committee to keep the Club running, so now it is up to you to do the same thing.

Thank you

Christine Mialzygrosz
President
