Coaches Report - Term 2 2014

Welcome to our new swimmers that have joined us.

Term 1 has been busy, starting with State Championships for Kristen and Alex, followed by Ronan, Darren and Ethan competing in other events. Well done to all these swimmers.

To all swimmers who competed at their school, then went on to represent their school at zones or regions and further, including Kristen who has made it to the State Schools Championships, I am so proud of you all, well done on all the PBs you achieved, it is so rewarding as a coach to see such improvements in you all. Thank you, and remember to thank your parents for getting you to swim training each week. This is the best school season we have had!

This term has also seen our Long Course Championship swum and won by a variety of swimmers, so I am proud of you all, braving the elements, on some weeks.

Big thank you to all the parents who time kept, started the races, and marshalled!!

Good job everyone. The last event on Sunday ended with the 1500m, excellent racing by all, Liam well done for winning that event on the night. Presentation night is going to be interesting....

Thank you to the committee and everyone else for running a sausage sizzle on the last night, I am sure it was appreciated by all.

Now with all that said on a personal note I would like to thank all the parents for driving me to and from the pool and to thank you all for my excellent and fantastic card and flowers, they are sitting on the top of the TV to remind me of how hard you all can work and the thoughts of get well wishes after my surgery. That brings me to also thank all 4 coaches I have had in my place while I have been unable to coach. The irony of all this is that 3 of the 4 were our coaches from years gone by!!! Thank you to all for working so hard for them.

I have looked into some events for you to enter as a club and have listed them below. We should go as a club and have fun. There are many other events available to enter, talk to me about this, but first go to swimming Victoria website to see what's available.

Talk to me about events after or before training

As we are now moving into Club Nights, (25m) the first event I would like to look at as a club is the Metro West District event on 15th June. It is a qualifying meet for Age Championships. Some of you already are swimming qualifying times, age short course is on the 5, 6,7th September, let's get there swimmers!!

Next meet is the 29th of June, Epping Aqua jets encouragement meet and it's open to all Competition and Non competition swimmers. This would be a fun meet to go to as a whole club I would love to see us all there!

The last meet I have chosen for a meet I can attend is the Footscray swimming and Water polo Club, Qualifying meet. It is on July 13th.

It is up to you all what you want to do, there are so many events; please look at the Swimming Victoria website for heaps of other events. I may be able to attend the other ones with you. I really want to go to States and I am sure some of you do as well, so get to training, and let's make it our goal for this term to get as many qualified swimmers as possible.

Morning training is now inside, it is on 2 days, possibly going to 3, so please come, it's certainly worth the early morning get up, and its warmer!

Enough from me, I am happy and enthused to be back, please remember to bring all your gear to training, especially drink bottles. Try to arrive on time, it is disruptive to arrive late, I do understand why sometimes it can't be helped. Put your gear down come to me and start working.

Goal cards will be started this term, so be prepared for me to chat to you on an individual basis to see what you want to achieve this remainder of the season.

Thanks once again to all who have sent cards, flowers, chocolates and most importantly lifts to and from the pool.

Karen.
