President's Report - 2014 - Term 4

I would like to give a very warm welcome to all our new and returning swimmers. The committee has been working hard behind the scenes and now have planned out our fundraising for the next 12 months.

Fundraising is an important aspect to keep our club financially viable and to keep our fees stable. If you can donate time during the BBQ's it would be great, without the help of our parents our club cannot thrive. Please contact Vanessa Hanlon if you are able to help out on any of the BBQ dates.

I would like to thank all members and families whom attended our Q3 club nights. Well done to all swimmers who set Personal Best times (PB's), these nights are free and allow all swimmers to see how they are progressing in their swimming.

We have our annual Short Course Competition starting Friday October 24th, please enter as many events as you can, the more swimmers we have the better the competition. We welcome all members to enter as it is a great way to get the feel for competitions in a friendly and supportive environment. The committee is also investigating meets that we can attend as a club, this is not compulsory for the swimmers, but can be fun days out. Even if your child does not wish to compete in interclub meets they may find it fun to attend as a spectator and cheer on the other swimmers and see what the events are all about.

Last of all we are a swimming club that requires swimmers, thus if your children have any friends that may be interested in swimming please try to convince them to come along, try out training or club nights and then hopefully join the Sunbury Amateur swimming Club, the more members we have the more we can do as a club and more enjoyable we can make it for all.

Please remember we also have our club website you can find information on <http://www.sunburyswimmingclub.org.au/>

Coach's Report – 2014 - Term 4

CONGRATULATIONS to all swimmers who attended our Club Nights. I am so proud of all swimmers. We had many swimmers improve their PBs and others who are breaking Clubs Records – well done to ALL!!!

Thank you also to the people who assist in time keeping each time and perform other jobs as without them it would not be possible to run these fun nights.

Short Course Club Championships are fast approaching and it will be fantastic to see as many swimmers as possible having a go at this.

We will be attending competitions outside of our club for swimmers who want to get qualifying times for state and those who just want to have fun. Watch the club website for more details.

*Finally...Don't forget training is offered on 4 sessions.
Please feel free to try mornings out. It is fun and a great way to start your day.*

See you in the pool, Karen.
